

# Irish Athletics National Champions

Below is the Roll of Honour of Irish Champions from the early 1960's to the present day. The first Irish Championships took place in 1873 and the search is now on to have all our great Champions remembered and acknowledged on this site.

From 1873-1884 the Championships were held under the auspices of the Irish Champion Athletic Club (ICAC) and from 1884-1922 they were held under the auspices of both the GAA the IAAA's. From 1922 to 1936 they were organised by the NACAI and from 1937 until 1967 the AAU (Official IAAF recognised body) and the NACAI organised Championships. From 1967 until 1999 both BLE (Official IAAF recognised body) and NACAI organised Championships and from 2000 to the present only one Irish Championship has been held under the auspices of the Athletics Association of Ireland.

We are also keen to have the Roll of Honour for the Junior and U-23 Championships so all budding researchers are invited to contribute what they can for these Championships.

If you can provide any further results, corrections, additions etc please forward them to Pierce O'Callaghan at [pierce.ocallaghan@european-athletics.org](mailto:pierce.ocallaghan@european-athletics.org)
